Weber Online

Elementary

A FREE flexible learning option for K-6th grade students

Teachers

Full-time certified teachers create engaging learning experiences and provide timely personalized feedback.

Flexibility

Students have the flexibility to work on daily learning experiences at the time and place that works for them.

Live Instruction

New for 2021--> Students attend daily virtual class from 10:00 to 10:45 each day. Class sessions are required and will be recorded.

Leadership Skills

New for 2021--> Weber Online is a Leader in Me school preparing students to be leaders of their lives today and in the future.

Partnership

Students succeed online when they have a parent or guardian as a learning coach. Weber Online teachers work closely with each student's learning coach to help students stay on track and do their personal best!
