- For: 6
- Against: 0
- Absent: 4

Tiffanie Kinney was nominated secretary by Jenilee Hyde, Melissa Titensor second the motion.

- For: 6
- Against: 0
- Absent: 4

2017-2018 TL and 2018-2019 TLPlan Information:

Brent Hogan shared the past years and current year plan, budget and goals. He shared last year's DIBELS Data and explained what changes we would be making this year. Aides are also being used in a different manner this year. They are being assigned to a grade. This way they will be able to get to know the students which will help the aides as they help with intervention groups. Interventions will be determined based on DIBELS, and will specific to what the child needs. For math, we had money budgeted for MobyMax, but we will not be using the money for that program, as we have adopted a new program, ImagineMath.

There has been a lot of growth with our Attendance goal. Keli Linke has been calling parents if their child is absent. She also has an incentive program for students to attend school.

This year we are able to add a behavior goal to the TL Plan. Money will/has been used to implement Leader In Me. The goal for the year is to build a strong community where students want to come and be at school. As students enjoy being at school, their learning will also increase. The school district/foundation has adopted Leader In Me, which will make the cost moving forward much less than originally anticipated.

Dates for Next Meetings: Oct. 5th @6

- Tuesday, December 4th, 2018 @ 6:00 pm
- Tuesday, March 5th, 2019 @ 6:00 pm

Next Meeting:

We will be looking at data and making goals for the next year's Trustland Plan

Brent Hogan moved to adjourn the meeting. Brandon Adams second.

- For: 6
- Against: 0
- Absent: 4
