

The community council is an elected group of parents, teachers, and the principal. It is their responsibility to plan and report on the usage of funds allocated to the school as part of the School LAND Trust Program. The plan the council writes focuses on the school's greatest academic need(s). Plans are approved by the local school board.

Council meetings are held a few times during the school year and are open to the public. Contact the school principal if you would like to get involved with the Community Council.
